“Today, our hearts are broken by the tragic and distressing news that we lost four of the state’s finest public servants, killed in the line of duty. It's a sacrifice no one should have to make. The New Mexico Department of Public Safety stands ready to assist law enforcement and the citizens of Bernalillo County. Our thoughts and deepest sympathies are with the families, friends, coworkers, and the citizens of Bernalillo County as they mourn the loss of these four heroes.”
