The preceding statutory and regulatory cites hereinafter are referred to as the "Acts" and "Regulations," respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and activities to which compliance is required by Recipients to ensure Federal agencies carry out their responsibilities. Executive Order 12898

(1995), entitled "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations" emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI,

to ensure nondiscrimination against minority populations. Recipients should be aware that certain Title VI matters raise Environmental Justice concerns and FMCSA intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following FHWA website for more information and facts about Environmental Justice:

http://www.fhwa.dot.gov/environment/environmental_justice/index.cfm

Additionally, Executive Order 13166 (2001) on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the "*application of Title VI's prohibition on national origin discrimination when information is provided only in English to persons with limited English proficiency.*" When receiving Federal funds Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also U.S. DOT's "*Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficient (LEP) Persons,*" dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

"No person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income, or LEP be excluded from participation in, be denied the benefits of or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from DOT, including the FMCSA."

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally-assisted.

Specific Assurances

More specifically, and without limiting the above general Assurances, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted **FMCSA Program**:

1. The Recipient agrees that each "activity," "facility," or "program," as defined in 49 C.F.R. §§ 21.23 (b) and 21.23 (e) will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted

in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations;

2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with the FMCSA Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

*"The **(New Mexico Department of Public Safety)**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 US. C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner's race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award.";*

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations;
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient;
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith;
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property;
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of

- similar services or benefits; or
- b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, [The New Mexico Department of Public Safety] also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the FMCSA access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the FMCSA. You must keep records, reports, and submit the material for review upon request to FMCSA, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

[The New Mexico Department of Public Safety] gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the Department of Transportation under the **FMCSA Program**. This ASSURANCE is binding on [New Mexico], other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the **FMCSA Program**. The person (s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

The procedures for investigating a discrimination complaint are contained in NMDPS Policy No. ADM 36. The procedure for investigating and resolving a complaint are as follows:

If upon receipt of a complaint involving allegations of civil rights based discrimination, harassment, or retaliation, or at any time during an inquiry or investigation, the EEO Officer reasonably believes that immediate corrective or preventative action is required to assure the safety or well-being of the complainant and to preserve the work environment, the EEO Officer shall recommend to the Secretary and/or the Chief that temporary corrective action (other than an adverse action against the complainant) be taken pending the resolution of the complaint. Such action, when warranted, may include separating the complainant and respondent, or temporarily removing the respondent, with no loss of pay, from the workplace. The Secretary and/or the Chief shall make the determination on temporary corrective action in consultation with the EEO Officer.

If the Secretary and/or the Chief determine that a report of discrimination, harassment, or retaliation is appropriately referred for criminal investigation, a criminal investigation referral shall be made by the Secretary and/or the Chief, or the Secretary if the Chief is involved in the complaint. The Chief or the Secretary, including if the Chief is involved, will also take the necessary steps to transfer, reassign, place on administrative leave, or otherwise remove the respondent from workplace contact with the complainant to assure the well-being and safety of the complainant. Complainant will be informed when a particular report is referred for criminal investigation.

Informal Resolution Procedure

- a. Immediately upon receipt of a complaint of discrimination or harassment, and following review of the central registry described below, the DPS EEO Officer will make an initial determination as to whether the acts complained of are amenable to mediation.

- b. If the EEO Officer determines that the acts complained of are amenable to mediation the EEO Officer, or designee, shall consult with the complainant. If the complainant is willing to have his or her complaint mediated, then the EEO Officer shall attempt mediation. In no event shall mediation be conducted regarding any of the following complaints;
 - i. Allegations of threats, violence, intimidation, physical touching, assault or retaliation;
 - ii. In any situation where the respondent has previously entered into mediation agreement regarding similar conduct.

- c. If mediation is successful, a written agreement is prepared by the assigned mediator. The written agreement must be signed by both parties and approved by the EEO Officer and where necessary, the Secretary and/or the Chief. A copy is kept in a confidential file. Generally, the mediation agreement may include:
 - iii. A pledge by the respondent not to engage in any behavior that could be construed as a violation of this policy;
 - iv. A promise by the respondent not to retaliate against the complainant;
 - v. The restoration of any employment terms, conditions, or opportunities the complainant lost or was denied because of the discrimination or harassment, and any other relief necessary to remedy the situation; and/or
 - vi. A procedure for monitoring compliance with the agreement.

- d. If the complaint **can** be resolved informally, the Formal Resolution Procedure detailed herein will not be followed. A copy of the written mediation agreement will be maintained in the central registry along with the complaint. A copy of the mediation agreement will also be provided to the complainant and respondent.

- e. If the complaint **cannot** be resolved informally, the complaint shall follow the Formal Resolution Procedure in this Policy. The Informal Resolution Procedure is not required prior to initiating the Formal Resolution Procedure.

Formal Resolution Procedure

- a. Administrative Inquiry or Formal EEO Investigation
 - i. When a complaint is to be handled through formal procedures, an impartial administrative inquiry or formal EEO investigation will begin within ten (10) working days after the EEO Officer's receipt of a written or oral complaint, regardless of whether the complaint was first received by a supervisor or the EEO Officer.
 1. In the case of complaints which are initially but unsuccessfully addressed through the informal process, an impartial administrative inquiry or formal EEO investigation will begin within ten (10) working days of mediation failure.
 2. Whether a complaint is handled through formal or informal procedures, in the case of an oral complaint received directly by the EEO Officer or which, for any reason, has not been reduced to writing on the Discrimination, Harassment and Retaliation Complaint Form, the EEO Officer shall fill out the Form and obtain the complaining individual's signature on it, verifying that it accurately reflects the individual's report.
 3. If an employee refuses or decides not to sign the Form, the supervisor or EEO Officer shall so note that on the form and process it as though it had been signed.
 4. If the alleged conduct could be a violation of policy, but an individual chooses not to file an individual complaint, the supervisor or EEO Officer will so note on the form and the matter will be reviewed in the name of the appropriate cognizant supervisor.
 5. The Department attempts to complete administrative inquiries or formal EEO investigations within fifteen (15) working days. Except in the most unusual circumstances, investigations must be completed within thirty (30) working days unless a longer period of time is authorized by the Secretary after his review of a written request by the EEO Officer justifying the need for more time.
 6. The pendency of a criminal investigation and/or prosecution shall provide sufficient justification to delay the administrative inquiry or formal EEO investigation in order to not compromise the criminal investigation and/or prosecution.
 7. Where a Formal EEO investigation is conducted under this policy, the complainant and the respondent shall be apprised of the progress of the investigation and the estimated completion date of the investigation not less than every fifteen (15) days.

- ii. Upon notification of a complaint, the EEO Officer may request that an administrative inquiry be conducted to determine the need for formal EEO investigation. When requested, the inquiry will be conducted by an appropriate level supervisor to be determined in consultation with the EEO Officer.
- iii. If an administrative inquiry is conducted, the results of the inquiry along with all supporting documentation will be forwarded to the EEO Officer for further review. If the EEO Officer determines that further investigation is not warranted, the EEO Officer will determine the appropriate disposition of the matter to include dismissal, appropriate corrective action, or the recommendation of discipline.
- iv. If, based upon the administrative inquiry, the EEO Officer determines that corrective action is appropriate; the EEO Officer shall make a determination as to the appropriate corrective action and issue such action to the respondent.
- v. If, based upon the administrative inquiry, the EEO Officer determines that disciplinary action is warranted; the EEO Officer will prepare and submit a report with a disciplinary action recommendation to the Chief and/or Secretary for consultation and final determination.
- vi. If, based upon the administrative inquiry, the EEO Officer determines that a formal EEO investigation is warranted, the EEO Officer or designee will conduct a formal EEO investigation or, if necessary to expedite the resolution of a complaint or resolve any potential conflict of interest, will appoint a competent independent outside investigator to conduct the investigation. When the complaint of discrimination, harassment, or retaliation is against the EEO Officer, the investigation shall be conducted by a competent independent investigator appointed by the Secretary in accordance with these procedures.
- vii. Where a formal EEO investigation is conducted under this policy, all interviews with the complainant, respondent, and witnesses **shall** be recorded and preserved.
- viii. Where a formal EEO investigation is conducted under this policy, the EEO Officer, or designee shall contact the respondent, give him, or her, a copy of the complaint, solicit the respondent's account of the alleged incidents, and inform the respondent that a recommendation and report will be prepared.
- ix. Where a formal EEO investigation is conducted under this policy, the EEO Officer, or designee, shall interview the complainant, the respondent, and any other witnesses identified by the complainant, or the respondent, or otherwise brought to the EEO Officer's attention, or whom the EEO Officer believes may have relevant information. Witnesses should not be limited only to those who directly observed the complained about events and may include others with knowledge of the working environment, the complainant, or the respondent.

- x. All individuals interviewed as part of an administrative inquiry or formal EEO investigation shall be informed that the DPS does not tolerate retaliation against any individual who opposes what s/he reasonably believes to be civil rights based discrimination, harassment, or retaliation or who cooperates in good faith in the investigation of a complaint.
 - xi. During an administrative inquiry or formal EEO investigation, all aspects of the complaint and investigation shall be held in the strictest confidence by all parties and the EEO Officer, or designee, except to the extent reasonably necessary to resolve the complaint or implement any corrective action or discipline. Witnesses, the complainant, and the respondent shall not discuss their statements with each other or other employees.
 - xii. As part of an administrative inquiry or formal EEO investigation, the EEO Officer, or designee, shall review the central registry, described below, to determine whether prior complaints of discrimination, harassment, or retaliation have been made by the complainant, or against the respondent, and the outcome of any prior complaints.
 - xiii. As part of an administrative inquiry or formal EEO investigation, the EEO Officer, or designee, shall determine if any supervisor was aware of the conduct and did not report or respond to it as required by this policy.
- b. Report and Recommendation
- i. Following completion of an administrative inquiry or a formal EEO investigation, the EEO Officer shall make an assessment of the following:
 - 1. All of the facts and circumstances surrounding the complaint and the working environment;
 - 2. The credibility of the complainant, the respondent, and any witnesses; and
 - 3. The existence of prior complaints and their resolution.
 - ii. Based on this assessment, the EEO Officer shall arrive at a determination about whether the alleged discrimination, harassment or retaliation occurred.
 - iii. No complaint shall be dismissed, or found to be unsubstantiated, solely because no witnesses other than the complainant and the respondent are available.
 - iv. The EEO Officer, or designee, shall prepare a written report and recommendation promptly following the completion of a formal EEO investigation or following an administrative inquiry where disciplinary action is recommended. Except in the most unusual circumstances, the report must be completed within fifteen (15) working days after the completion of the inquiry or investigation. Extensions beyond fifteen (15) working days must be authorized by the Secretary, after his review of a written request by the EEO Officer justifying the need for more time.

- c. The report and recommendation must include:
- i. A summary of the complaint;
 - ii. A summary of the response by the individual charged with discrimination harassment or retaliation;
 - iii. A summary of the statements and evidence obtained during the investigation;
 - iv. A finding of whether a policy violation has occurred and an explanation supporting that finding along with a finding of whether any supervisor was or should have been aware of the violation and failed to report or respond to it;
 - v. Of a violation occurred, the finding must include a statement about the severity of the violation;
 - vi. An assessment of any credibility concerns regarding the complainant, respondent, or any witness and an explanation for the basis of the concern;
 - vii. A summary of known prior mediation agreements, corrective actions regarding similar conduct, or substantiated complaints against the respondent;
 - viii. A recommendation of discipline against the respondent, if appropriate, along with an explanation for the particular recommendation;

 - ii. The Chief, in the case of law enforcement personnel, and the Secretary, in the case of civilian personnel, shall make the final determination as to the discipline, if any, to be imposed after consultation with the EEO Officer.
 - iii. If the Chief is being investigated, the determination as to the discipline to be imposed shall be made by the Secretary.
 - iv. Corrective or disciplinary action is mandatory when the EEO Officer determines that the respondent has engaged in discrimination, harassment, or retaliation. The corrective and/or disciplinary action imposed may range from corrective counseling up to and including termination.

- v. After consideration of a report recommending disciplinary action or a report issued following a formal EEO investigation, the Secretary and/or the Chief shall make a determination as to whether to take one or more of the following courses of action:
 - 1. Sustain the complaint, order the conduct to stop, impose appropriate discipline on the respondent, recommend the restoration of any employment benefit the complainant lost because of the conduct, and provide any other relief necessary, within their purview, to remedy the situation;
 - 2. Order further investigation and require a supplementary report and recommendation; or
 - 3. Dismiss the complaint, if it is found to be without merit.
- vi. If the EEO Officer finds that discrimination, harassment, or retaliation occurred and the Secretary and/or the Chief determine that disciplinary action should be taken which is less or more severe than that recommended by the EEO Officer, the Secretary and/or the Chief shall prepare a written memorandum, to be appended to the EEO Officer's report and recommendation, explaining the basis for the downward or upward deviation.
- vii. Once the Secretary and/or the Chief have approved the recommendation and report:
 - 1. Respondent shall be provided with a copy of the report and recommendation only in cases where the complaint is sustained and discipline is imposed.
 - 2. An employee complainant shall be provided a separate report that includes:
 - a. A summary of the complaint;
 - b. A summary of the response by the individual charged with discrimination, harassment or retaliation;
 - c. A finding of whether a violation of this policy occurred and an explanation supporting the finding; and
 - d. A statement regarding whether disciplinary action has been recommended. This statement shall not detail the discipline recommended.
 - 3. The EEO Officer may meet with the employee complainant to explain the decision.
 - 4. Client complainants shall be informed in writing that the investigation was completed and that the Department has taken appropriate action.

- viii. The respondent's division director and/or supervisor shall meet with the respondent to explain the decision and implement any discipline in accordance with the Department's Discipline Policy and/or any other rules, regulations, or laws.
- ix. The respondent is provided with a copy of the report solely to assist him or her in exercising his or her rights under the Department's Discipline Policy. The contents of the report are to be kept confidential except for this purpose and not to be disseminated for any other purpose.

- xii. The Secretary and/or the Chief shall ensure that any disciplinary action imposed by the Secretary and/or the Chief is implemented subject to the right of the respondent to appeal the disciplinary action in accordance with the Department's policy regarding discipline, and any other rules, regulations or other laws.
